# MOC's Award

The MOC's Award, presented by Thailand's Ministry of Commerce, recognize Thai businesses and entrepreneurs for producing exceptional quality products. These awards, which celebrate excellence in various aspects, serve as a guarantee of quality, environmental friendliness, uniqueness, and genuine Thai identity.

This MOC's Award Directory : Food Edition showcases the achievements of businesses and entrepreneurs listed in food industry who have demonstrated exceptional export capabilities in 2023-2024.

The Prime Minister's Export Award is Thailand's highest recognition for outstanding export achievements. This prestigious award signifies that the winning products meet rigorous standards of quality and innovation, demonstrate strong market performance, and are endorsed by a credible authority. This trusted certification assures the quality of superior products, enhancing brand reliability.

The Agri Plus Award recognizes outstanding agricultural products that have met rigorous standards for quality, innovation, and sustainability. This trusted certification reassures consumers that they are purchasing high-quality, reliable, and authentic agricultural goods, promoting confidence in their food choices while supporting responsible practices within the sector.

The Thailand Trust Mark Award sets a high standard for quality, sustainability, and ethical practices in Thai products and services. This honored certification ensures global businesses can trust these Thai goods to meet international standards, be environmentally friendly, and be produced responsibly.

The Thai SELECT Award certifies for products ensures that food items meet high standards for authenticity, quality, and safety, reflecting traditional Thai culinary practices. This trusted certification reassures that they are buying genuine and high-quality Thai food products, making it a valuable tool for informed choices and confidence in the authenticity of Thai cuisine.

The Design Excellence Award or DEmark recognizes outstanding Thai product designs that have been rigorously evaluated by industry experts for quality, creativity, and functionality. This prestigious certification assures businesses that they are investing in well-designed, reliable, and aesthetically pleasing goods, making DEmark a trusted symbol of design excellence.

The DTN Business Plan Award recognizes exceptional business plans that demonstrate innovation, strategic planning, and potential for international success. This prestigious award signifies rigorous evaluation and validation of the business's practices, products, and services, ensuring high standards of quality and sustainability.

Health and Functional Foods

Exporting goods and services is an important part of Thailand's economy, and many Thai entrepreneurs have significant export potential in a variety of industries such as food, clothing, automotive industry, electronics industry, tourism and other services. In addition, the quality of products and services is controlled to meet the needs of the international market by exporting high quality products. This helps build trust among international customers and enhances opportunities to effectively reach new markets. One of the Ministry of Commerce's key missions in promoting and supporting these Thai business entrepreneurs is to provide awards and various accredited marks. These serve as symbols guaranteeing the quality and standards of Thai products and services, thereby building confidence among trading partners in the international market.

This special edition of THINK TRADE compiles a list of Thai entrepreneurs who have been selected in various fields, whether it be quality, standards, design, innovation, or environmental care, to the point of receiving awards and various symbols from the Ministry of Commerce, such as the Prime Minister's Export Award, IP Champion Award, Agri Plus Award, Design Excellence Award (DEmark), and the Thai SELECT symbol guaranteeing the excellent quality standards of Thai restaurants, etc.

### **H.E. Mr. Phumtham Wechayachai**

Deputy Prime Minister and Minister of Commerce

The Minister of Commerce, H.E. Mr. Phumtham Wechayachai, is committed to promoting Thai entrepreneurs to enter the world trade arena with confidence. His policies include creating strategies to build a strong brand and image. The intention is to let the world market see our commitment to promoting good quality things from Thailand to the world stage. The policies include increasing awareness through various awards and logos that illustrate quality, standards, design, innovation, as well as caring for the environment.

This special edition of THINK TRADE shows everyone the support of the Ministry of Commerce through awards and various emblems, which are like a driving force that helps Thai entrepreneurs access new business opportunities, expand markets, increase sales, and create stability for their business in the long term.

In addition, the Ministry of Commerce is providing other services that are available to assist Thai entrepreneurs, such as trade information, training, seminars, business links and financial support. With the determined assistance of the Ministry of Commerce, Thai entrepreneurs can confidently step onto the world trade stage and be ready to seize future opportunities and create success on the business path to the international level.

**108 FOODS CO., LTD.**

We begin to develop jams from local fruits using food innovation, providing value to customers with different flavors, no added sugar, and low sodium. We prioritize purchasing selected tropical and organic fruits from farmers at a price higher than the market, adhering to the "Thai jam from local to global" concept, with the aim of preserving jobs and assisting local farmers.

2023

Thailand's food and beverage industry is celebrated for its rich diversity, blending traditional flavors with modern innovations.

Here's a glimpse into its key categories:

- **Rice and Grains:** Essential to Thai cuisine, with Jasmine rice as a staple.
- **Seafood:** Offers fresh, frozen, and processed seafood from Thailand's abundant coastlines.
- **Fruits and Vegetables:** Features an array of tropical produce in both fresh and processed forms.
- **Meat and Poultry:** Known for high-quality, fresh, and processed meats.
- **Beverages:** A wide range including teas, coffees, juices, and local alcoholic beverages like Thai beers.
- **Snacks and Confectionery:** A variety of sweet and savory snacks and bakery products.
- **Herbs and Spices:** Core to Thai culinary tradition, adding distinctive aromas and flavors.
- **Dairy Products:** Includes milk, cheese, and yogurt, increasingly part of modern Thai diets.
- **Prepared and Ready-to-Eat Meals:** Convenient Thai and international dishes.
- **Health and Functional Foods:** Products focusing on wellness, including organic and fortified options.

These food and beverages industry encapsulate Thailand's culinary richness and its influential role on the global stage.
